How should we share research data?

The Research Council of Norway has published a report and recommendations about licensing and making research data available.

"We hope it can help to encourage responsible sharing and re-use of research data in a way that also safeguards considerations for research ethics, data protection and other issues described in this report." – Jan Magnus Aronsen, Chair of the Committee on sharing and reuse of research data.

**New book investigates “learning loss” during the pandemic**

How was children's education impacted by the Covid-19 school closures? New research explores how the move to remote learning affected children during the pandemic period.
Organisational changes at NSD

The Norwegian government is reforming the directorates and infrastructure organisations within research and higher education. NSD's services and activities are divided between a new administrative body to deliver services to higher education and research, and the new directorate for higher education and skills.

Funding and international collaboration

RDA Open Call for Domain Ambassadors #1.
RDA and EOSC Future are delighted to announce the call for Domain Ambassadors in the context of EOSC.

Call for Projects: Crowdfunding Initiative Launched!
To promote the use of crowdfunding in its community, the OPERAS Research Infrastructure is launching a dedicated channel on the crowdfunding platform wemakeit.com: the OPERAS Channel.

Events

24-25 January 2022
SSHOC Workshop: Copyright Issues in Secondary Data Use

26 January 2022
Designing EOSC training programmes for institutions

31 January 2022
FAIR Data Management Gaps and Solutions

08 February 2022
Value and limitations of FAIR assessment tools

14-15 February 2022
SSHOC Workshop: Data Management Planning and Overcoming Challenges in Social Sciences Data Sharing

Training

19 January 2022
Introduction to agent-based modelling for social scientists

20 January 2022
SODHA open session

26 January 2022
Introduction to the Labour Force Survey and Annual Population Survey

26 January 2022
Data management Q&A: Social sciences

3 Feb 2022
Safe Researcher Training

15 Feb 2022
Reproducibility: Collaborative working
Resources

Dataverse and Kuha2 adopters share their experiences of these OAI PMH endpoints (recording)
